As versatile as it is portable, the Personal Blender  
delivers an impressive ice-crushing,  
smoothie-making power wherever you plug it in.  
Compact and smartly designed with a clear and  
high-impact polycarbonate containers  
for blending and serving that  
close tight with lids for easy storage.

In under a minute, enjoy anywhere  
hundreds of the nutritious and delicious recipes  
that healthy people on the go want today!

# TRIBEST<sup>®</sup> Personal Blender<sup>™</sup>

The potent ice-crushing, smoothie-making, go-anywhere blender  
--powerful enough to grind even flax seeds\*!-- with make-serve-n-store containers.  
Use the Personal Blender at home, work, or while traveling.  
It's light, portable, and economical!

- Available in 2 choices: the Blender Package (PB-100), or the Blender & Grinder Duo Combination (PB-200).
- Lightweight, compact and portable. Stays at home or goes to work, on the road or on vacation—use anywhere with a plug.
- 200 Watt motor easily crushes ice cubes to make hundreds of delicious and nutritious recipes for people on the go.
- 2 mode operations: Pulse Blending/Grinding & Continuous Blending/Grinding.
- Healthy food made easy. Grinder pulverizes nuts, seeds, coffee beans, or even flax seeds into flour/powder in a snap. Quickly and easily turns whole, fresh foods into smooth-swallowing, no-chewing-necessary foods for babies.
- Efficient all-in-one container for blending, serving and storage.
- Comes complete with Operation Guide for easy use / easy clean and 40 easy-to-follow recipes for delicious Soups, Sauces, Salsa, Dips, Porridges, Pestos, Pates, Puddings and Baby foods!
